The [Long Island Futsal League](#), Inc. and the [Premier Soccer Academy](#) announce the formation of new futsal league in Nassau County to start by the end of January 2012.

All the games will be played on Saturdays at the Skate Safe venue in Old Bethpage. The [Skate Safe](#) facility offers a sport court surface which is ideal for playing futsal.

This league will be a shortened six week season and is open for all age groups from U7 thru U19. The cost per team is \$750 for U12 and older and \$500 per team for the U11 and younger age groups.

Teams already registered and playing in the Long Island Futsal league (*and who can't get enough futsal*) will be offered a discount on the league fee and no additional US Futsal player fee is required.

The Long Island Futsal league is celebrating their fifteenth anniversary as a member of the [United States Futsal Federation](#) and has grown into the largest futsal league in New York State and is second only to California – North in the number of teams and participants. This year a record of nearly 190 teams and over 2,000 participants are playing in the Long Island Futsal League season which started last weekend (January 7, 8, 2012).
